

PROD 14-2-2/ES 127

2 December 1959

MEMORANDUM FOR: St/P/C

SUBJECT: Cancellation of Geography Division Projects

The following projects have been cancelled:

<u>Project No.</u>	<u>Title and Reason for Cancellation</u>
64.1636	Geography Briefs of Economic Regions, a revision of GR-70. The pressure of higher priority jobs precludes work on this subject.
62.1663	Feasibility Study on the Arabian Peninsula. Chief, PP/C-TAB, has stated definitely that analysis of this area is not required for operational planning.
64.1713	USSR Intelligence Atlas The pressure of higher priority jobs precludes work on this subject.
64.1782	Geographic Appraisal of Irrigated Agriculture in Soviet Central Asia. The material will be recast for use in the MR.
63.1810	South Tyrol (GN) The recent (26 October 1959) Department of State Intelligence Report on <u>South Tyrol a Source of Irritation between Austria and Italy and the earlier one (15 July 1954) on the South Tyrol Question</u> cover the subject.
